

# Completing the Social Wellness Assessment

1. Register for an account on the St. Mary's Health & Wellness Portal by going to [healthhubreg.com](http://healthhubreg.com) and clicking "Request a Service or Check-in Now".

## Welcome

Community members can use this system to access local services and programs. Community providers not registered with this system can also use the Request-a-service button below for your patient/client.

Certain services are only available on certain days and some require an appointment. Please view the service details for more information.

- [Request a Service or Check-in Now](#)
- [View Available Health and Wellness Services](#)
- [Registered Provider Login](#)

Need Help? Call [301-475-4330](tel:301-475-4330)

2. If you have already registered before and know your registration ID, click "Continue with Registration ID". If this is your first time on the portal, click "Continue with Name & Date of Birth"

## Request A Service Or Check In Now
