### **Notice of Recording & Transcription**

"This meeting will be transcribed and recorded using Gemini AI. Maryland law prohibits recording conversations without "all" participants' informed consent. This is notice that the call or meeting will be recorded and/or transcribed by an AI-powered service, if applicable, and provides participants the ability to consent or object. If a participant objects to the recording or transcription, it shall not be used. Acceptance of this meeting invitation is consent, if you do not agree, you should provide the meeting host with notice by email or at the beginning of the meeting."

"Further, all parties are on notice that transcription may create a public record that is subject to the Public Information Act, unless otherwise excepted by law. A participant's consent to the use of Gemini AI for transcription shall not alter any parties obligation to adhere to all applicable policies, laws and regulations, including those relating to confidentiality and managing access to protected data."
