

ST. MARY'S COUNTY
HEALTH DEPARTMENT

2022 Summer Student Academy in Public Health

The St. Mary's County Health Department (SMCHD) is the local health department for St. Mary's County, Maryland. SMCHD is responsible for protecting and promoting the health of our community and addressing public health needs.

SMCHD's **Student Academy in Public Health (SAPH)** provides an opportunity for rising and current high school seniors to have hands-on experience in the field of public health.

SAPH student interns volunteer up to 200 hours of their time towards the following internship components:

- Work within a team of other interns to learn about and to analyze a key public health topic - then propose a local public health intervention to benefit the community on this issue
- Actively participate in weekly public health group learning/discussions
- Critically think about and discuss current events from a public health perspective
- Shadow different local public health services and participate in field experiences, community partner meetings, and community outreach and education events
- Complete introductory e-learning modules on the basics of public health
